

Thank you for your recent freedom of information request for the following information:

I am writing to request information under the Freedom of Information Act relating to a road your authority is responsible for maintaining.

Specifically, my query relates to Station Road Plumtree.

Please can you send me:

* A copy of your current road maintenance policy relating to that road. Please send me the full policy, but this should include details of the intended frequency of road safety inspections, how these inspections should be conducted and the maximum time between identification of a defect and repairs being carried out.

* A copy of the road repair history for that road over the past year. Again, please send me the full road repair history, but this should include:

- dates of all safety inspections between 29.10.17 and 27.12.17

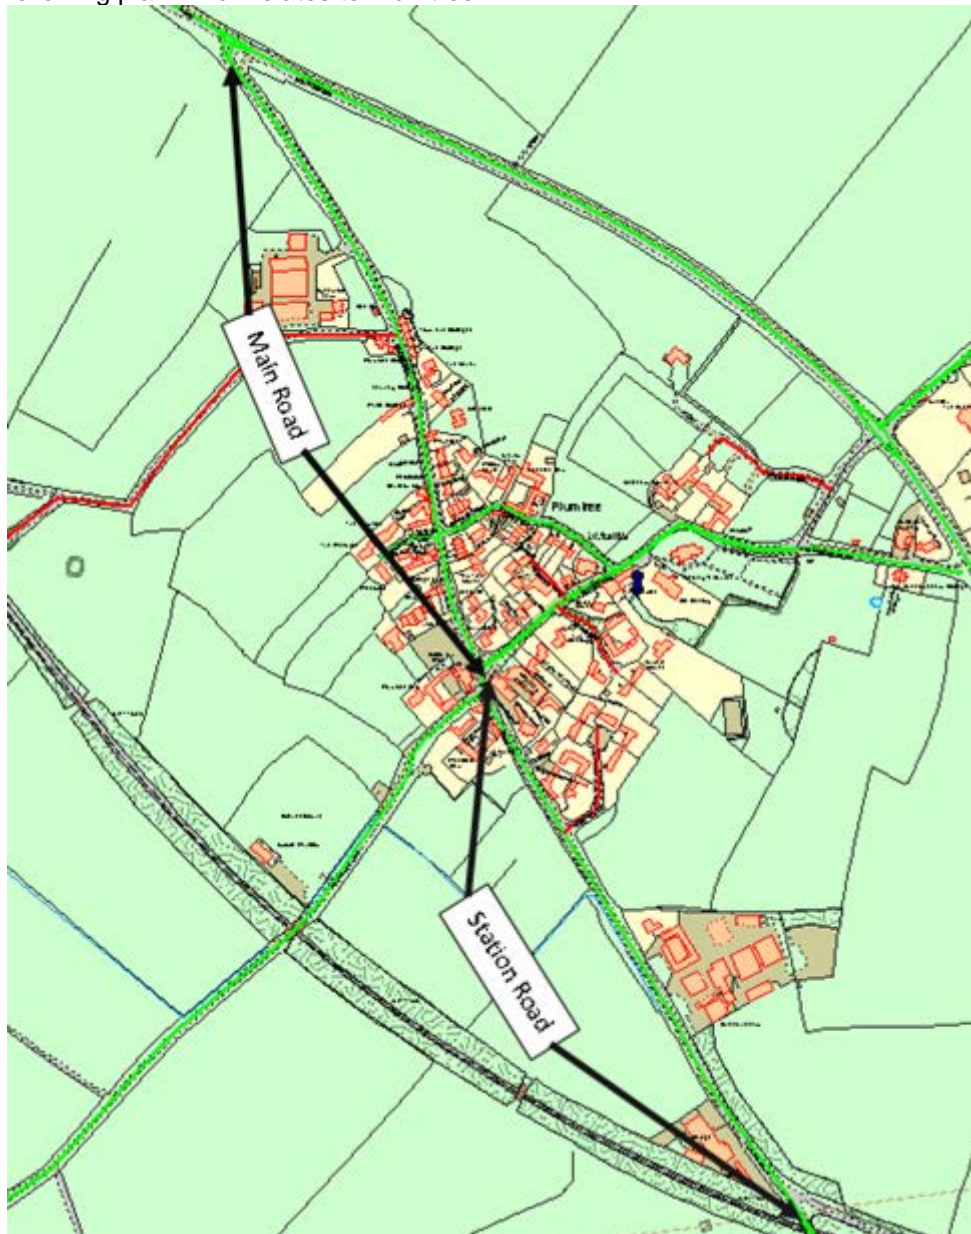

* - details of how safety inspections were undertaken (walked or driven, speed of inspection vehicle etc)

- details of all carriageway defects identified, with description, date and time

- details of how the authority handled these defects, what repairs were undertaken and the time between the identification of each defect and a repair being carried out.

Our response:

To ensure that Nottinghamshire County Council have identified the correct street section, we have provided a Street History Report, which is attached, for both Main Road and Station Road as per the following plan which relates to Plumtree.

The inspection of the carriageway is monthly and the footways annual.

Given the prescribed time period being requested the report does not show the resulting actions to any enquiries made towards the end of the time period. Therefore, further information may be required once we have established which street section your enquiry relates to.

I trust this information is of assistance to you.

If you are unhappy with the way your request was dealt with and wish to make a complaint, please write to the Team Manager, Complaints and Information, County Hall, West Bridgford, Nottingham, NG2 7QP or e-mail foi@nottscc.gov.uk quoting the reference above

With kind regards
