Hi Personal Information

Thank you for this information I will hopefully get a chance to look into it in soon.

One piece of good news, following the previous clarification sent through from the Dft. It has been decided that your contracts with NCC will be allowed to run their natural course until they are due to be retendered in the summer. Hopefully by that time we will have a very clear picture of where we all stand moving forward.

Kind Regards

Subject: Dft Update

Hi David,

We have just received the attached emails.

It seems to directly conflict with what training they want CTO's to provide.

We do plan to raise the issues with DCC, but do you have any comments?

Kind regards
