

# The C Card Scheme Nottinghamshire

## Training Programme

2018-19

### Welcome to the C Card Scheme Nottinghamshire's Training Programme for 2018-19.

Reducing teenage pregnancy and sexually transmitted infections amongst young people in Nottinghamshire remains a key priority.

The C Card Scheme is a free sexual health advice and condom service for young people aged 13-25. It allows young people to gain access to condoms, lubricants and get advice on sex, STI's, relationships and more.

This training programme lists the C Card Training Courses available that enables professionals who work with young people aged 13-25 across Nottinghamshire, to become a trained C Card Worker and a C Card Site. In turn, this will allow young people to access free confidential sexual health advice and condoms from a range of settings in Nottinghamshire.

In addition to the selection of training courses listed in the following programme, the C Card Team is also able to offer the same courses on an '**in house**' basis, if required. This training can be delivered at a time and venue convenient to each organisation.

For further information on 'in house' training or on any of the courses listed here, please don't hesitate to contact Samantha Willis, [Samantha.willis@nottscc.gov.uk](mailto:Samantha.willis@nottscc.gov.uk) from the C Card Scheme to discuss.
