**Request for Information: Ref NCC-030795-18  
Schools admissions**

Thank you for your request for information relating to schools admissions. I can now let you have the following information in response to the questions you raised.

A list of all Primary, Infant and Junior schools in Nottingham and whether they were oversubscribed or not-oversubscribed on national offer day 2018 (16th April). Please include each school's Unique Reference Number (URN), DFE code, or address/postcode to allow us to identify each relevant school without ambiguity.

We define a school to be oversubscribed if, and only if, at least one on-time applicant was refused a place and the applicant did not receive an offer from any higher preference school.

If there were no refusals to on-time applicants - even if the school was unable to accept one or more late applications, or admitted over its published admission number - then we do not consider this school to be oversubscribed.

If you use a different definition of oversubscription, then please make this clear in the response.

**Please see the attached documents**

The total number of offers made at each school. Questions 3-5 apply to oversubscribed schools only

**Please see the attached documents**

The number of on-time applicants refused a place who did not receive a place at any higher preference school. By this we mean the number of unsuccessful on-time applicants remaining on each school's waiting list. Please answer for each individual school.

**Please see the attached documents**

The admission criterion under which the last successful applicant was admitted.

**Please see the attached documents**

The home-to-school distance of the last successful applicant, assuming distance was used to allocate this place. Please include measurement units and whether this is based upon a walking/driving route, straight line/as the crow flies distance or an alternative measurement system.
