Contracts at Waste Centres**

Thank you for your request for information relating to waste centre contracts. I can now let you have the following information in response to the questions you raised.

I'm of the understanding that companies have contracts at the local waste centre to take away certain waste, bicycles, tv etc. Please can you provide a list of all the companies that have these contracts, and the tender process documents/process said company's go through.

Nottinghamshire County Council do not hold this information as the Recycling Centres are operated under contract with Veolia who hold any subcontracts and manage the tender processes.

Veolia can be contacted for this information at:
