Management Information System (MIS) Contract**

Thank you for your request for information relating to Management Information System (MIS) contract. I can now let you have the following information in response to the questions you raised.

I'd like to know when your existing Management Information System (MIS) contract with Capita SIMS is due to end, and therefore when you expect to begin a re-procurement process for your schools.

Can you please let me know the end month AND the new procurement process kick off date if decided?
