

Dear,

Thank you for your recent Freedom of Information Request. Please accept our apologies for the delay in responding to you. I am now able to provide you with the information supplied by the relevant department, as follows:

1 What was your total spend on interim executives for each of the past three financial years?

Interim executives are identified as being Group Manager and above (Service Director and Corporate Director)

For 2017/18 only £101,459

2 How many senior interims were employed in your organisation in each of the past three financial years?

2015/16 0

2016/17 0

2017/18 3

3 How many interims had daily pay rates in each of these pay bands:

a. £500- £650 0

b. £651- £800 2

c. £801 or more 1

4 Please can you name the top five suppliers of senior interims (£500+ day rate) as rated by contract value, stating the total fees paid to each supplier in each of the last three years?

Penna, Solos and LA International are the only suppliers used in this timeframe. No interims at these rates are provided through the managed service provider contract

(Where a managed service provider (MSP)/neutral vendor framework is in situ, then please provide total spend within the 'Executive/Senior' interim category, or at £500+ day rate, whichever is easier.)

5 Please can you list the top five most costly interim contracts (for individual people or projects, not recruitment suppliers) in each of the past three years providing a) the total amount paid b) the job/project title?

Please see response at Q3 we have only used 3 interims which fall into the requestor categories

I hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly on the details below.
