

Dear Sir/Madam,

I am writing to you under the Freedom of Information Act 2000 to request the following information from the council...

For the past ten years, year on year, please provide the following data, (please specify whether the data is calendar or financial year):

How much has the council been spending on clearing up graffiti? (year on year for the past 10 etc)

How many cases of graffiti have been reported/recorded year on year, for the past 10 years?

How many of these cases were reported/recorded as racist – year on year, for the past 10 years?

How many of these cases were reported/recorded as sexist – year on year, for the past 10 years?

(Or are they recorded as hate crimes?)

How many times have places of worship been targeted – year on year, for the past 10 years?

Are there any examples of places that have been repeatedly targeted? If so how many times in the time frame.

What are the most targeted type of places / spaces?

Dear Requester,

Thank you for your email requesting information about Graffiti.

Nottinghamshire County Council does not have responsibility for the cleaning of Graffiti and, therefore, we do not hold this information.

The district and borough councils and the city council will hold this information. You may have contacted these councils already in connection with your request, but if not, their contact details are below:
