**Request for Information: Ref NCC-036260-18
Connectivity**

Thank you for your request for information relating to connectivity. I can now let you have the following information in response to the questions you raised.

How many council buildings have access to superfast broadband? Please specify an amount. Over 400 county council sites sit upon a MPLS leased line wide area network provisioned by our partner's virgin media. We have only 1 site operating below 10MB due to its remote location 400+ NCC sites have access to broadband between 10-100 Mb/s'

Have you invested in connectivity projects aimed at improving local council offered services in the last 12 months? No

If no, do you have plans for future projects? Yes

If yes, how much has been invested so far? Please specify an amount. Circa £20K

If yes, can you provide any details of these plans? Please specify any projects you are working on. We are currently in the process of procuring a replacement for our current MPLS WAN.

We hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly using the contact details below. In addition and for future reference Nottinghamshire County Council regularly publish previous Freedom of Information Requests and answers on our website, [click here](#) to see the Disclosure logs.
