

NCC-037781-19 honour" based violence, forced marriage, FGM

Dear requester,

Further to your recent request for information, under the freedom of information act. We can confirm that we do not collect data on forced marriage or honour based violence in a reportable format. This would require a manual review of all enquiries received (over 10,000) and would take us over the threshold under the FOIA.

We do not hold data on all enquiries for FGM in a reportable format, but we do hold this for children subject to a Child and Family Assessment. For the year 2018, 5 children or young people were identified as being at risk of FGM during the assessment. None of these were in the care of the Council.

We trust this now resolves your enquiry, however should you have any further queries please do not hesitate to contact me directly on the details below.

Nottinghamshire County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)
