

Freedom of information request NCC-037522-19

Thank you for your recent freedom of information request for ease we have provide our response as follows:

Could you send me a copy of your planning policy in SHP or KML format or in any other digital shape format. We are specifically interested in the local development plan and want access to the underlying spatial data within that local plan?

Nottinghamshire County Council prepares Mineral and Waste Local Plans. We do not have the underlying GIS layers (digital mapping information) to show site specific proposals to the Adopted 2005 Minerals Local Plan as the mapping information wasn't created digitally then. Neither do we have such data for the Waste Local Plan 1998.

The only spatial policies in digital form we have are for the emerging revised Minerals Local Plan are for Safeguarded Minerals Areas and for Potential Allocation Sites. This Plan has not been adopted yet. We can provide these if needed.

However, from the wording of the FOI request, you may be interested in general Local Plan matters which are the responsibility of District Councils in Nottinghamshire and wants digital information from a related Local Plan Policies Map, with a range of land use allocations, not just minerals. In line with Section 16 of the Act we have provided the contact details for the district Councils as follows:

Ashfield District Council: foi@ashfield-dc.gov.uk

Bassetlaw District Council: FOIrequests@bassetlaw.gov.uk

Broxtowe Borough Council: foi@broxtowe.gov.uk

Mansfield District Council: freedomofinformation@mansfield.gov.uk

Newark & Sherwood District: freedom@nsdc.info

Rushcliffe Borough Council: customerservices@rushcliffe.gov.uk

I trust this information of assistance to you.
