

Dear [REDACTED],

Further to your recent Freedom of Information request below, please see in answer to your questions following further investigations.

For each year: 2009/10, 2010/11, 2011/12, 2012/13, 2014/14, 2014/15, 2015/16, 2016/17, 2017/18: number of people known to the authority as statutory homeless, who died each year.

For each year: How many Safeguarding Adults Reviews were undertaken each year, and if possible, how many were for:

- a. people who were statutory homeless
- b. people who were statutory homeless who died

2009/10 – 2
10/11 – 1
11/12 – 0
12/13 – 1
13/14 – 0
14/15 – 1
15/16 – 1
16/17 – 1
17/18 – 1

Please note, this is the number COMPLETED in the given financial year, regardless of when they started as this is in line with national statutory returns (we currently have none ongoing). None related to any people who were either statutory homeless or statutory homeless who died.

3. I know a man called [REDACTED] died in Retford on 27/2/2018- can you please let me know if there has already been a Safeguarding Adults Review about their death- yes or no? NO

We hope this now satisfies your request. Should you have any further enquiry please do not hesitate to contact me directly on the details below.

In addition to this and for future reference Nottinghamshire County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)
