What Happens Next

The original penalty charge of £«Notice_Original_Penalty» is still outstanding. To date we have received £«Notice_Net_Paid». **The amount therefore due is £«Notice_Outstanding_Account».** This must be paid before the end of 28 days beginning with the date of service of this notice.

You must now decide whether to **PAY** the penalty charge or whether to **APPEAL**.

NOTE: If you do not appeal and do not pay the penalty charge within the period (see above) the «Notice_Enforcement_Authority» may serve a charge certificate on you increasing the penalty by 50% to £«Notice_Surcharge_Penalty».

If the Penalty Charge remains unpaid no fewer than fourteen days after the service of a Charge Certificate, the enforcement authority will register the debt with the Traffic Enforcement Centre (TEC) at the County Court to recover the charge as if it were a debt payable under a County Court Order.

The registration of debt is an automated process and there is no right of personal representation during this process. When the debt is registered at the County Court against you a warrant may subsequently be issued for the recovery of the debt by Enforcement Agents. You will also become liable for Court and Enforcement Agents fees.
