## Do you know where your school dinner comes from?

The meat used in our dinners is from an award-winning local butchers – Maloney's ([www.quality-butchers.co.uk](http://www.quality-butchers.co.uk)). Their meat comes from animals that are born and reared outdoors, and allowed to graze freely in the fields and parks in and around the county.

In Nottinghamshire we are actively trying to reduce our carbon footprint and are proud to be going local with our school dinners, to cut down on our food miles.

Please note that occasionally accompaniments pictured may differ from the menu as a result of seasonality or deliveries. Medical dietary requirements are catered for.
