

NCC-038176-19 Council structure – heads of department – contact details

Dear Requester,

Further to your request below. We are little perplexed to what you have, in terms of the Council structure being nameless. Our website clearly outlines the departments leads and have the names. I have attached a link below to this. All county council employees emails address are their first and last names with a between, followed by @nottsc.gov.uk

<https://www.nottinghamshire.gov.uk/council-and-democracy/council-structure/the-councils-structure>

Please confirm if this now satisfies your request, or you wish for further information/advise.

Kind Regards

To Whom it May Concern,

I would like to formally place a freedom of information request for each of the names of the heads of each department at the council.

I have the organisational structure for the council, but this is nameless and thus of no use to me.

It would be most helpful if I may obtain this list with the first and last names, and email addresses of the directors, heads of departments, and deputy heads.

Kind Regards,
