

Dear

I am writing to you in reply to your Freedom of Information Act (FOIA) request to Nottinghamshire County Council. I have the following information.

Please can you confirm the total spend by Schools & Academies in your local authority, on third party agencies for the provision of supply staff.

The time frames I require are from 1st September 2018 - 19th July 2019

Unfortunately we are unable to provide all of the requested information for the following reasons:

We do not hold the data on an academic year basis and we do not have the financial data for July 19 because we haven't received it from schools yet.

We cannot distinguish between temporary staffing and permanent staffing because the financial system does not hold the information in that way. Individual schools would have to provide that information.

We can only provide the information on supply staff for the financial year 2018/19 and we do not hold this broken down by individual schools, you would need to request this level of detail from the individual schools.

We do not hold any data about spend by academies

We are able to provide the following information:

For Nottinghamshire County Council maintained schools for the financial year 2018/19

Teacher Agency £3,081,027.16
Non Teacher Agency £1,221,840.39
TOTAL £4,302,867.55

If you have any queries or concerns then please contact me. Please remember to quote the reference number above in any future communications.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or e-mail foi@nottscc.gov.uk.

Yours sincerely
