Thank you for your recent freedom of information request, for ease we have provided our response alongside each point raised as follows:

Please could you inform me how many trees within your Borough/City/Council area have been removed/chopped down in the past five years?

The total number of trees removed over the past 5 years is a total of 1169\*.

\*Please note that this figure relates to trees growing within the adopted highway only, and not in relation to any other land owned by the authority.

I trust the above information is of assistance to you.
