

NCC-039931-19 Metal detector access of land

Dear Requester,

Please see the following link, <https://www.nottinghamshire.gov.uk/search?query=metal+detecting>
We do not have any further details other than metal detecting will require the consent of a landowner wherever undertaking the activity. We would suggest joining a club, perhaps a search on the internet for clubs / contacts in Nottinghamshire. Or may be asking the local farmer / landowner.

We trust this now resolves your enquiry, however should you have any further queries please do not hesitate to contact me directly on the details below.

Nottinghamshire County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)

You can use the search facility using keywords.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email complaints@nottscc.gov.uk .
