

Dear

Thank you for your request for information about Agency Social Workers working for Nottinghamshire County Council. I am now able to provide the following information in answer to your questions:

1 - How many qualified social workers were working on a temporary (agency) basis at the Council on Monday 20th May 2019, split by:

a. Children's Services social work roles

There were 74 Children's Social Workers who had a processed time sheet.

b) Adults' Services social work roles

There were 13 Adult Social Workers who had a processed time sheet.

2 - What was the total spend by your organisation on temporary (agency) social work professionals during the financial year 1/4/18 to 31/3/19? £5,349,578. This figure is for Agency Social Workers employed in Children's Services. Unfortunately data for Adult's Services is not available because they are unable to extract Social Worker roles from the overall spend on Agency staff in Adults Social Care teams

I hope that you find this information to be helpful, however if you are unhappy with the way in which your request has been handled, then please email us at foi@nottsc.gov.uk quoting the reference NCC-038158-19 and we will be happy to review your request

With kind regards
