I am writing to you in reply to your Freedom of Information Act (FOIA) request to Nottinghamshire County Council about road maintenance for John Road, Worksop. I have the following information.

Please send me the full policy, but this should include details of the intended frequency of road safety inspections, how these inspections should be conducted and the maximum time between identification of a defect and repairs being carried out.*

This information is contained in the attached Highway Inspection Manual.

The carriageway hierarchy is Local Road, and the inspection frequency is yearly.

*A copy of the road repair history for that road over the past year. Again, please send me the full road repair history, but this should include:*

*- dates of all safety inspections between 25/07/2018 up to and including 23/09/2019*

See attached Street History Report. Please note that two items of personal information have been redacted in accordance with FOIA Section 40(2).

*Details of how safety inspections were undertaken (walked or driven, speed of inspection vehicle etc)*

The means of undertaking inspections is contained in the attached Highway Inspection Manual.

*Details of all carriageway defects identified, with description, date and time*

See attached Street History Report.

*Details of how the authority handled these defects, what repairs were undertaken and the time between the identification of each defect and a repair being carried out.*
