The purple street section is the section reported on: Carlton Hill 15003893/2001

We do not record specific details on repairs that you are requesting. The following table shows the value of jobs issued on this road over the last three years and the number of potholes repaired using the Highway Assistants who are a direct resource supporting the Highway Inspectors. The cost of this later resource is paid for as a total countywide service and as such we do not tie these to individual defect repairs.
