Hi,

Request under the freedom of information act.

I would like to see a copy of plan/map for the above scheme which details the agreed proposed location of all the signage associated with the boundary of the scheme along with the written justification and objective of said scheme.

As this scheme straddles the Lincolnshire border, copies of maps and plans exchanged with Lincolnshire are also requested along with a copy of the final signed off agreement and agreed division of costs.

The information is requested for research purposes.

Many thanks for your help with this matter.

Kind regards,
