

Matter 5 Written Statement - Mr J Potter (2108)

Responding to the Planning Inspector's Matter 5 questions ;
71: soils restoration would not correct wrecking here ;
72: the Green Belt negative effects upon it would not be redressed here ;
73: health impacts for example poor air directly near populations here
these cannot be 'mitigated' ; this statement strongly urges
the deleting of - unjustified, unsustainably NPPF conflicts, unsound - MP2p
