

Dear Requester,

Thank you for your Freedom of Information Request.

The councils response is as follows:

Facilities in your locality, primarily categorised as 'Residential substance misuse' or service type 'Residential substance misuse treatment and/or rehabilitation service' which, between 31st January 2020 and 12th May 2020 informed you of a temporary closure/pause of service/currently unable to accept clients and/or an announcement of furlough.

There is 1 residential rehab in Ashfield (Steps together) but our commissioned provider do not use it and therefore have no information on it.

The residential facilities that our provider uses are outside of the local area.

I hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly on the details below.

In addition to this and for future reference Nottingham County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)
