

Dear

I am writing to you in reply to your Freedom of Information Act (FOIA) request to Nottinghamshire County Council about occupational therapy assessments for children and young people with a disability.

Please find attached the Integrated Children's Disability Service OT policy for receiving referrals and undertaking assessments. This covers all the specialist Occupational Therapy assessments we provide.

To be a Sensory Practitioner and provide sensory assessment you can be an OT, Physio or Speech and language therapist. Requests for these types of assessments are normally done through health provision. To be a sensory practitioner requires extensive sensory training and qualifications in addition to a degree.

If you have any queries or concerns then please contact me. Please remember to quote the reference number above in any future communications.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or e-mail foi@nottscc.gov.uk.

Yours sincerely
