To whom it may concern,

Under the Freedom of Information Act I would like to request some information relating to the enforcement of parking restrictions, specifically penalty charge notices.

This is expanding an FOI request I previously submitted - thank you for your acknowledgement/response. If you have not responded to my previous FOI covering just April-June and November of both years then please disregard that request and respond to this one instead. I would like to request the number of parking tickets issued by the council broken down by month for the whole of 2019 and 2020 (as up to date as possible).

Please provide this information to this email address in PDF format if possible. Many thanks.

Yours faithfully,
