Dear

Thank you for your request for information about the Nottinghamshire Parking Partnership and the report of the annual accounts for 2017-2018, 2018-2019, and 2019-2020

I realise that this response is now being provided outside of the statutory timescale for provision of information requested under the Freedom of Information Act, and I apologise for this. I hope that the information remains relevant to you and that the delay has not caused you any difficulties.

I am advised that there has not been a meeting since November 2018. There was due to be a Board Meeting this year but due to the pressures brought about by the Council's response to the COVID situation, this has not happened. I am also advised that the accounts are not formally signed off at the Board meetings, they are a discussion forum for operational issues rather than a formal audit process.

Please find attached The Notts Parking Partnership combined accounts for the three years as requested.

I hope that you find this information to be helpful, however if you are unhappy with the way in which your request has been handled, then please email us at [foi@nottscc.gov.uk](mailto:foi@nottscc.gov.uk) quoting the reference NCC-047456-20 and we will be happy to review your request

With kind regards

Complaints, Information and Mediation Officer  
Nottinghamshire County Council
