Dear Requester

Thank you for your request for information about works carried out on Digby Avenue in Gedling, NG3 6DY

You asked:

I am writing in terms of the New Road & Street Works Act 1991 for information on which company had an opening notice to carry out street works and works for road purposes on Digby Avenue, Gedling, NG3 6DY.

Could you please go as far back in time as possible as we are investigating a latent damage to underground apparatus at this location. Please ensure you provide details such as: company names, work ref, LA ref, works start/end dates, works locations, description of the works and whether in footway or carriageway.

Please find attached the Street Works Street History report for Digby Avenue, Gedling (USRN 15021970, Feature 2000), which is the information that we hold, in respects of this Street Section on the Authority's Highway Asset Management System.

The plan below details the Street Section that the Street History report covers (purple):
