Dear Sirs,

New Roads and Street Works Act 1991  
**Stopping Up Order / Footpath Diversion / Extinguishment / Gating Order**

**No Objection**

**We refer to the below or attached order and confirm that we have no objections**

**Please email Stopping Ups to [REDACTED]**

**To enable us to process your application as quickly as possible, please ensure you include Grid References.**

A copy of the Cable and Wireless process 4461 'Special Requirements relating to the external plant network of Cable and Wireless UK Services Ltd' is available on request. The process provides guidance on working in the vicinity of Cable and Wireless's apparatus.

**IMPORTANT - PLEASE READ - Your Next Step?:-**

Where apparatus is affected and requires diversion, please send all the scheme related proposals that affects the Vodafone Network to [c3requests@vodafone.com](mailto:c3requests@vodafone.com) with a request for a 'C3 Budget Estimate'. Please ensure you include a plan showing proposed works. (A location plan is insufficient for Vodafone to provide a costing). These estimates will be provided by Vodafone directly, normally within 20 working days from receipt of your request. Please include proof of this C2 response when requesting a C3 (using the 'forward' option). Diversionary works may be necessary if the existing line of the highway/railway or its levels are altered.
