

I am applying under the freedom of information act for information on traffic surveys and transport assessments carried out in the NG21 area of Rainworth over the last fifteen years.

Dear Requester,

Thank you for your Freedom of Information Request.

The Councils Response is as follows:

Nottinghamshire County Council do not carry out any transport assessments..

Any which have been produced within this area and are in the public domain will be on the Mansfield District Council Planning website which can be accessed here:

<https://www.mansfield.gov.uk/planning>

With Regards to traffic surveys , NG21 is wider than Rainworth. There is far too much information here to provide full details over a 15 year time period. Please see attached spreadsheet which has been provided, if you require a full breakdown of any of these sites please let us know and for which year as the full time period would very time consuming to extract into industry standard software and exceed the time limit allowed under FOI.

I hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly on the details below.

In addition to this and for future reference Nottingham County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)

You can use the search facility using keywords.

If you wish to raise any concerns about the way your request was dealt with, then please write to the Team Manager, Complaints and Information, County Hall, West Bridgford, Nottingham, NG2 7QP or e-mail foi@nottscc.gov.uk quoting the reference number above.

Kind Regards

Complaints, Information & Mediation Officer.
