

NCC-048650-20 EV Fleet-network-operations

Dear Requester,

Further to question 4 we have received the following from the department as additional information

Kind Regards
Alison Fletcher

4. Information on your public EV charging operation and if anybody operates this on your behalf

Nottinghamshire County Council, in partnership with Nottingham and Derby city councils were awarded funding from the Office of Low Emission vehicles to help deliver a number of initiatives to promote and encourage ultra-low emission vehicles through the 'Go Ultra Low Nottingham' (GUL) programme (further information on this programme can be found at <http://goultralownottingham.org.uk/>). To date only off-street EV public charge points have been installed in the county as part of this programme.

BP Chargemaster is the concessionaire to install, maintain and operate the above GUL network in Nottinghamshire, Nottingham and Derby (having been awarded the contract through procurement undertaken by Nottingham City Council [as the programme's lead authority]).

Off-street EV network in Nottinghamshire

Nottinghamshire County Council (via GUL programme) have installed public EV charging infrastructure across 23 locations, consisting of 10 rapid devices and 55 fast devices. The 23 public EV charging sites, across 17 towns in Nottinghamshire (Arnold, Barton in Fabis, Beeston, Carlton, Eastwood, Hucknall, Kimberley, Kirkby in Ashfield, Mansfield, Mapperley, Netherfield, Newark, Retford, Stapleford, Sutton in Ashfield, West Bridgford and Worksop). All sites were installed and operational during 2019 and funded via the GUL programme. The sites are mapped on the D2N2 EV charge point [map](#)

Dear Requester,

Further to your request for information under The Freedom of Information Act, Please see below in response.

1. Name, position, and contact details of your Fleet Manager or equivalent

[Helen Walker](#)

2. Number of EV vehicles in your fleet including vehicle make and model

| | | | | |
|------------|------------------|---------------------|----------------------|----------|
| 01/05/2018 | ALEXANDER DENNIS | ENVIRO 200 ELECTRIC | PSV COACH 16-35 PASS | Electric |
| 01/05/2018 | ALEXANDER DENNIS | ENVIRO 200 ELECTRIC | PSV COACH 16-35 PASS | Electric |

3. Whether you have an established EV network and who runs this

[No it's only what we have invested in at NCC.](#)

4. Information on your public EV charging operation and if anybody operates this on your behalf

[NCC use their own chargers and it managed internally.](#)

We trust this now resolves your enquiry. Where we have not been able to provide details we expect that this information is not held by Nottinghamshire county Council at this time.

We suggest all requesters search under our publication scheme in advance of requesting information under the freedom of information act.

Nottinghamshire County Council regularly publishes previous FOIR, s and answers on its website, under Disclosure logs. (see link) <http://site.nottinghamshire.gov.uk/thecouncil/democracy/freedom-of-information/disclosure-log/>

You can use the search facility using keywords. i.e. care / home etc.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of our decision, you should write to the Team Manager, Complaints and Information Team, County Hall, West Bridgford, Nottingham, NG2 7QP or email complaints@nottscc.gov.uk .

Kind Regards
Complaints and Information Team
Nottinghamshire County Council

Good morning,

I would be grateful if you could provide the following information under the Freedom of Information Act 2000:

1. Name, position, and contact details of your Fleet Manager or equivalent
2. Number of EV vehicles in your fleet including vehicle make and model
3. Whether you have an established EV network and who runs this
4. Information on your public EV charging operation and if anybody operates this on your behalf
