Subject: Freedom of Information Request NCC-048805-20

Dear

Thank you for your request for information about gritting on the A620.

You specifically asked for the logged gritting data for the 4th January 2021 and the 5th January 2021 and 6th January 2021 for the stretch of road on the A620 between North Wheatley and Bole Roundabout and you provided the postcode would be DN22 9BT and coordinates including 53.375746, -0.833487 for reference.

You also advised that you have been informed the vehicles log the data using the system called "Exactrak" which records the movements of the gritters, the speed at which the vehicle has travelled, the rate of salt spread, etc and that this is the data required.

Please find the requested data in the attached spreadsheet

I realise that this response to this request was due to be released by 1st March and so is now being provided outside of the statutory timescale for provision of information requested under the Freedom of Information Act, and I apologise for this. I hope that the information remains relevant to you and that the delay has not caused you any difficulties. However if you are if you are unhappy with the way in which your request has been handled, then please email us at foi@nottscc.gov.uk quoting the reference NCC-048805-20 and we will be happy to review your request.

With kind regards
