Desc.: Road obstructions - When visiting the Scuffy Dog public house customers are parking on the main road (station road) outside the pub obstructing the junction of Maunside Avenue. It is impossible to see oncoming vehicles when exiting Maunside Avenue and this has lead to a number of near miss accidents. It is also difficult to turn into Maunside Avenue from the left as often the vehicles are overhanging the junction. It is only a matter of time before there is a serious accident at this junction due to the speed that vehicles travel along station road. This issues has been ongoing for some 18mths however authorities do not appear to be concerned. Vehicles will also park directly on Maunside Avenue (an unadopted road) again causing an obstruction/hazard for residents of the Avenue - could double yellow lines be installed outside the pub along with resident only parking on Maunside Avenue- on approaching customers to outline their dangerous parking I have been met with abuse.

I have included a picture of a relatively quiet period when the pub is open, however it is still not possible to see when pulling out onto station road. **personal data**
