

How to find and recruit a Personal Assistant

1. How to find a Personal Assistant (PA)

Firstly follow the link to the [Nottinghamshire Help Yourself Personal Assistant Directory](#).

Next click on the 'Find a Personal Assistant' button:

This button will then take you to the list of PAs who have gone through Nottinghamshire County Council's 'Support with Confidence' (SWC) scheme. If a PA has gone through the SWC scheme, this means that they have two references, have completed online training and received an Enhanced Disclosure Barred Service (DBS) and Barred List check. For more information on the SWC scheme, [visit the Council website](#).

Once you can see the list of PAs, you can filter your search using a variety of filter options such as 'Area Served' or 'Tasks'. You can do this by looking on the left hand side of the screen and selecting the option that relates to yourself i.e. you could filter your search to the area 'Newark and Sherwood' to find PAs who are willing to work in this area. See example:

Area Served:

<input checked="" type="checkbox"/> Newark & Sherwood	(6)
<input type="checkbox"/> Nottingham City	(5)
<input type="checkbox"/> Gedling	(5)
<input type="checkbox"/> Broxtowe	(5)
<input type="checkbox"/> Rushcliffe	(4)
<input type="checkbox"/> Mansfield	(4)
<input type="checkbox"/> Ashfield	(4)
<input type="checkbox"/> Bassetlaw	(3)

Please note: the figures relating to area were correct on the date this factsheet was published. All the PAs listed have some current capacity to pick up new work.

Once you are happy with your search criteria, you can look through the list of PAs and click into each of their profiles by clicking on the blue title of each post. This will then take you to the PA's profile where you will be able to view more details.

If you find a PA that you would like to interview, please find their contact details under the 'About the PA' section.
