

Dear sir madam

The below information from Mansfield district council supplied information that in 2020 there were 299 burials and cremations for that said year.

I have subsequently asked of that number how many died as a result of covid 19 or where covid 19 was named on the death certificate.

I am advised that Nottinghamshire county council hold this information so under the freedom of information I would like to request for you to supply me with this number.
