**Freedom of Information Request
Reinstatement of footway at South Nottinghamshire Academy**

Dear Sirs,

Please supply details of the financial expenditure by the County Council on the reinstatement of the footway at South Nottinghamshire Academy following the closure of the footway by the Academy in contravention of the terms of the Land Transfer Agreement.

The Headmaster has confirmed in a letter to me that there was a cost sharing agreement between the County Council and the Academy/Academy Trust to fund the reinstatement. This information should be readily available within the Council records.

Your reply should specify the breakdown of the sums involved and the details of the works or services under which those expenditures were made.

Yours faithfully
