Do you hold records of the number of burials and cremations in Notts? (Public Health was not mentioned in the original question – you would need to clarify what that means in your response)

If YES can you provide me with the total numbers for each year from 2015 to 2021. Preferably one column for cremations and another for burials.

As a separate request:

Can you provide me with the total numbers of deaths registered in Notts each year from 2015 to 2021.

Does the City Council also have a register of deaths?

Thanks
