

To whom it may concern,

As part of a project that i am undertaking to publish the locations of school crossing patrol sites across the UK as an open data source (with the intent that this source is picked up by Sat Nav apps, which can then use it to display warnings to drivers), i am hereby requesting information that you hold regarding any school crossing patrol sites in your local authority area. This request is being made under the Freedom of Information Act 2000.

In particular, the I am requesting following information regarding current School Crossing Patrol sites in your local authority area:

- **Location.** GPS co-ordinates would be ideal, but a postcode, street name or general description will also suffice.
- **Staffed times.** Or times when there is a school crossing patroller present on the site during a normal school day.

In terms of the format, having the above in an Excel format or CSV would be ideal. But I am willing to accept the format which is easiest to hand for you.

Please note that I am not requesting details on whether these sites are currently in use (i.e. they have a school crossing patroller regularly on site), nor any personal information relating to the school crossing patrollers themselves.

Dear Requester,

Thank you for your Freedom of Information Request.

Please see attached a list of the current School Crossing Patrol site locations, including Eastings and Northings which should assist with siting on a mapping system.

The site times are more difficult to quantify as we are currently having to operate adjusted times due to Covid. They also get amended from time to time, as school times and travel patterns change. Therefore the following time bands would encompass all sites.

08.00am - 09.15am
14.45pm – 16.00pm

I hope this now satisfies your request, and should you have any further enquiries please do not hesitate to contact me directly on the details below.

In addition to this and for future reference Nottingham County Council regularly publishes previous FOIR,s and answers on its website, under Disclosure logs. (see link)

You can use the search facility using keywords.

If you wish to raise any concerns about the way your request was dealt with, then please write to the Team Manager, Complaints and Information, County Hall, West Bridgford, Nottingham, NG2 7QP or e-mail foi@nottsc.gov.uk quoting the reference number above.

Kind Regards
