For Nottinghamshire community schools, the standard admission oversubscription criteria are detailed in the *Admissions to schools: Guide for parents*.

The application breakdown summary at the back of this document is based on information on national offer day 2 March 2020. For academy, foundation and voluntary aided schools which were oversubscribed in Year 7 for 2020-2021 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools is different and is applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

All school information is correct at the time of print (June 2020) but is subject to change.

Summary of admission oversubscription criteria 2021-2022

Year 7

1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school. Previously looked after children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 2002. Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
2. Children of members of staff who are employed by Chilwell School. This constitutes any adult employed on a permanent full or part time basis by the governing body of Chilwell School for two or more years at the time the application for admission is made OR a member of staff who has been recruited to fill a vacant post for which there is a demonstrable skills shortage.
3. Children who attend the Chilwell Family of Schools (The Lanes Junior School, John Clifford Primary School and Rylands Junior School) who were on the roll at the time of application and who were still on roll on the closing date for applications. Within this category first priority will be given to those *who will have a brother or sister attending Chilwell School at the time of admission*. Where applications are received in respect of twins, triplets or children of other multiple births from the Chilwell family we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
4. Children not attending the Chilwell Family of Schools *who will have a brother or sister attending Chilwell School at the time of admission*. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
5. Remaining places will be allocated on proximity to the school measured 'as the crow flies' from the entrance to the child's home to the principal entrance of the main administrative building of the school. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.

Nottinghamshire

Year 12

1. Students in public care who are 'looked after' or adopted at the time an application for admission is made and who the local authority confirm will still be 'looked after' or adopted at the time of admission to school
2. Pupils transferring from within Chilwell School who meet the school's minimum entry requirements; such students are guaranteed a place irrespective of numbers
3. Pupils transferring from other schools who meet the school's minimum entry requirements.
(at least 40 places will be available for pupils transferring from other schools).

In the event of there being more applicants than places available in 3 above, the deciding factors will be, in order of priority:

- (i) Whether there is a brother or sister on Chilwell School roll at the time of entry to the Sixth Form. Where applications are received in respect of twins, triplets or children of other multiple births we will endeavour to offer the relevant number of places admitting above the planned admission number where appropriate.
- (ii) Pupils who live nearest to the school 'as the crow flies' with distances measured from the entrance to the pupil's home to the principal entrance of the main administrative building of the school. In the event of two distances being exactly equal resulting in the PAN being exceeded then random allocation by lot will be conducted by a body independent of Chilwell School.
