

**THE NOTTINGHAMSHIRE COUNTY COUNCIL (A614/A6097 JUNCTIONS
IMPROVEMENT SCHEME) (SIDE ROADS) ORDER 2022**

HIGHWAYS ACT 1980

The Nottinghamshire County Council ("the Council") makes this Order in exercise of its powers under Sections 14 and 125 of the Highways Act 1980 and all other powers enabling it in that behalf: -

1. (1) The Council is authorised in relation to the classified and unclassified roads within the District of Newark and Sherwood and the Borough of Rushcliffe in the County of Nottinghamshire to: -

- i. improve the lengths of highway named in the Schedules to this Order and shown on the corresponding Site Plans by cross hatching;
- ii. stop up each length of highway described in the Schedules and shown on the corresponding Site Plan by zebra hatching;
- iii. construct a new highway along each route whose centre line is shown on a Site Plan by an unbroken black line surrounded by stipple;
- iv. stop up each private means of access to premises described in the Schedules and shown on the corresponding Site Plan by a solid black band;
- v. provide new private means of access to premises at each location shown on a Site Plan by thin diagonal hatching.

(2) Where a new highway is to be constructed wholly or partly along the same route as a new access or part of one, that new highway shall be created subject to the private rights over that new access.

(3) Each new highway is given a reference letter on a Site Plan, which is also placed in the respective Schedule and will be a road unless the word "footpath" appears beneath its reference letter in that Schedule, in which case it will be a footpath. Each new access is given a number on a Site Plan, which is also placed in the respective Schedule.

(4) Where a new highway is to be constructed or a new access is to be provided in connection with the stopping up of a length of highway or private means of access described in a Schedule, its reference letter or number (as the case may be) is placed in that Schedule opposite the description of that length.

(5) Each Site Plan shows the works indicated in the respective Schedule, has the same number as that Schedule, and shows the route of the classified road in relation to those works.

2. Where immediately before a length of highway is stopped up in pursuance of this Order there is under, in, on, over, along or across that highway any apparatus of statutory undertakers or any telecommunications code system operator then, subject to section 21 of the Highways Act 1980, those undertakers, or that operator, as the case may be, shall continue to have the same rights as respects that apparatus as they had immediately before the stopping up took place.

3. In this Order: -

- 1) distances are measured along the route of the relevant highway or private means of access to premises, as the case may be;
- 2) a reference to a Schedule or Site Plan number is a reference to the Schedule or Site Plan so numbered;

- 3) “classified road” - means the classified highway along the A614 / A6097 corridor which extends from the A614/A616/A6075 Ollerton Roundabout to A6097 / East Bridgford Road / Kirk Hill Junction which the Council proposes to construct and improve at the following five existing junctions within the Newark and Sherwood District and Borough of Rushcliffe in the County of Nottinghamshire:-
- a. A614 / A616 / A6075 roundabout – referred to as Ollerton Roundabout
 - b. A614 / Mansfield Road roundabout – referred to as White Post Roundabout;
 - c. A614 / A6097 priority junction – referred to as Warren Hill Junction;
 - d. A6097 / A612 Nottingham Road / Southwell Road roundabout – referred to as Lowdham Roundabout;
 - e. A6097 / Kirk Hill signalised crossroads – referred to as Kirk Hill Junction

and which is a highway which is a classified road in accordance with section 12 of the Highways Act 1980.

“the Council” - means the Nottinghamshire County Council;

“improvement” - in relation to a highway includes diverting, raising, lowering or otherwise altering that highway, and “improved” shall be construed accordingly;

“new access” - means a means of access to premises authorised by this Order to be provided;

“new highway” - means a new highway authorised by this Order to be constructed and “new highways” shall be construed accordingly;

“Schedule” - means a Schedule to this Order, and “Schedules” shall be construed accordingly;

“Site Plan” - means one of the five plans numbered 1 of 6, 3 of 6, 4 of 6, 5 of 6 and 6 of 6 respectively, contained in the plan folio marked “The Nottinghamshire County Council (A614/A6097 Junctions Improvement Scheme) (Side Roads) Order 2022” sealed with the Common Seal of the Council and deposited at the offices of Nottinghamshire County Council at County Hall, Loughborough Road, West Bridgford, Nottingham, NG2 7QP and a duplicate has been deposited in the offices of the Secretary of State for Transport. Duplicates have also been deposited at Ollerton and Boughton Town Hall, Sherwood Drive, Ollerton, Newark, NG22 9PP.

“unclassified road” – means the highway along the A614 / A6097 corridor which extends from the A614/A616/A6075 Ollerton Roundabout to A6097 / East Bridgford Road / Kirk Junction which the Council proposes to construct and improve at the following five existing junctions within the Newark and Sherwood District and Borough of Rushcliffe in the County of Nottinghamshire:-

- f. A614 / A616 / A6075 roundabout – referred to as Ollerton Roundabout
- g. A614 / Mansfield Road roundabout – referred to as White Post Roundabout;
- h. A614 / A6097 priority junction – referred to as Warren Hill Junction;
- i. A6097 / A612 Nottingham Road / Southwell Road roundabout – referred to as Lowdham Roundabout;
- j. A6097 / Kirk Hill signalised crossroads – referred to as Kirk Hill Junction

and which does not fall within the meaning of a classified road pursuant to section 12 of the Highways Act 1980.
