

Our plan for improving SEND services in Nottinghamshire

in education psychology service so more young people's needs can be assessed

Finding new ways to listen to children, young people and families

Review our education,
health and care plan
processes so more
young people's needs
can be assessed and
annual reviews
completed on time

from external SEND leaders

Working more with schools and giving them extra money for SEND

Reducing delays and gaps in health services, including speech and language therapy, neuro-developmental pathways and equipment services
