Time for a change?

Real nappies can reduce the rubbish in your bin... and increase the pounds in your pocket!

To get your baby through from birth to potty you will only need to buy around **50** real nappies compared to **thousands** of disposables.

Real nappies are easy to use...

- Modern real nappies fasten easily with Velcro or poppers
- Flushable, paper liners prevent nappies from getting messy
- Real nappies wash at up to 60°C in your washing machine, no boiling needed

What do they cost?

- Real nappies cost as little as **£2** each and washing them at home is as little as **£1** per week which could save you up to £500 from birth to potty
- In addition, **Nottinghamshire County Council** will give you **£25 cashback*** when you spend **£50** or more on real nappies
