Getting There

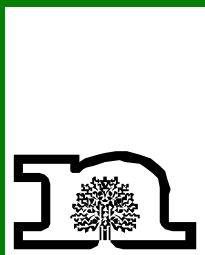

Rufford Abbey Country Park is located off the A614, 17 miles north of Nottingham, and 3 miles south of Ollerton. The country park has two entrances. For Rufford Mill and the Talbot Suite do not use the main park entrance at Rufford Abbey. Instead, follow brown tourism signs for Rufford Mill and Rufford Golf Course off the A614, down Wellow Lane. Rufford Mill car park is approximately one mile from the main country park entrance, just before Rufford ford (watersplash).

The Country Park

The country park in which the Mill buildings sit is a delightful visitor attraction, with gardens, woodland walks and medieval Abbey ruins. During their lunch break or recess, your delegates can enjoy a relaxing stroll along leafy pathways, or just watch the waterbirds on Rufford Lake.
