Dear Colleague

**Nottinghamshire Police and Crime Panel (PCP)**

Following our discussion at the last Nottinghamshire Leaders' meeting in July regarding the Nottinghamshire PCP, I would like to take the opportunity to thank you for agreeing to use your best endeavours in support of a proportionate number of Nottingham City representatives on the Police and Crime Panel.

As we discussed, the PCP proposals already include ten seats, of which two will be allocated to Nottingham City in recognition of its proportion of the population. In addition, you also agreed to use best endeavours in support of Nottingham having an additional two co-opted Councillor seats.

Four Nottingham seats out of a total fourteen would provide Nottingham with a balance on the PCP of just under thirty percent, almost identical to our share of Nottinghamshire's population.

Thank you in anticipation for your support.

Yours sincerely
