

## **REPORT OF THE CHIEF EXECUTIVE**

### **MEMBERSHIP OF COMMITTEES**

#### **Purpose of the Report**

1. To agree the revised allocation of committee seats following a recent change in political group membership to ensure political proportionality.

#### **Information**

2. The County Council is under a duty to review the allocation of seats to political groups where there is a change to the membership of political Groups. As detailed in a previous report, Councillor Francis Purdue-Horan is no longer a member of the Nottinghamshire County Council Conservative Group and this has changed the overall political balance of the Council.
3. In determining the composition of Committees, account must be taken of the requirements of Section 15 of the Local Government and Housing Act 1989. This requires that seats on Committees and Sub-Committees are allocated to the political Groups of the Council in a way which reflects the overall balance on the Council. The advice of the Monitoring Officer is that to comply with legislative requirements the allocation of seats should be based on overall seat numbers rather than on individual committee numbers.
4. In order to comply with legislative requirements, changes are proposed to the composition and allocation of committee seats as set out in Appendix A.

#### **Other Options Considered**

5. It is possible to allocate the discretionary allocation of seats in a number of different permutations, but any allocation must still meet the principles set out in paragraph 3 above as far as is practical.

#### **Reason/s for Recommendation/s**

6. To meet the Council's duty to review the allocation of seats to political groups on a change in political group membership, in order to ensure seat allocation is made in accordance with the principles of proportionality prescribed by law.

#### **Statutory and Policy Implications**

7. This report has been compiled after consideration of implications in respect of crime and disorder, data protection and information governance finance, human resources, human

rights, the NHS Constitution (public health services), the public sector equality duty, safeguarding of children and adults at risk, service users, smarter working, sustainability and the environment and where such implications are material they are described below. Appropriate consultation has been undertaken and advice sought on these issues as required.

## **RECOMMENDATION/S**

That the Council confirm the revised composition and allocation of committee seats set out in Appendix A.
