REPORT OF THE CHAIRMAN OF HEALTH SCRUTINY COMMITTEE

SHERWOOD FOREST HOSPITALS NHS FOUNDATION TRUST PERFORMANCE UPDATE – INCLUDING PHARMACY DELAY

Purpose of the Report

1. To update Members on the current performance information for Sherwood Forest Hospitals Trust.

Information and Advice

2. Ben Owens, Clinical Director and Roz Howie, Chief Operating Officer will attend the Health Scrutiny Committee to further brief Members on the significant improvements that have been made further to the CQC inspection.
3. Representatives from Sherwood Forest Hospitals previously attended the Health Scrutiny Committee on 28 November 2016 when Members heard about several areas of outstanding practice including sepsis, mortality and performance against the four hour Emergency Department target. In addition, financial performance was on track and progress was being made to address the £42.1m deficit, with savings made through a reduction of agency costs.
4. A briefing from Sherwood Forest Hospitals Trust is attached as an appendix to this report. The briefing focuses on emergency care transformation and pharmacy delay.

RECOMMENDATION

That the Health Scrutiny Committee:

- 1) Receives the briefing on the latest position at Sherwood Forest Hospitals, and asks questions, as necessary
- 2) Schedules further monitoring of Sherwood Forest Hospitals improvement, as required

**Councillor Colleen Harwood
Chairman of Health Scrutiny Committee**
