Agenda Item: 4

**REPORT OF THE SERVICE DIRECTOR FOR CUSTOMERS, GOVERNANCE
AND EMPLOYEES**

**LOCAL GOVERNMENT & SOCIAL CARE OMBUDSMAN DECISIONS
SEPTEMBER AND OCTOBER 2020**

Purpose of the Report

1. To inform the Committee about Local Government & Social Care Ombudsman (LGSCO) decisions relating to the Council since the last report to Committee, and up to 30 October 2020.

Information

2. Members have asked to see the outcome of Ombudsman investigations regularly and promptly after the decision notice has been received. This report therefore gives details of all the decisions received since the last report to this Committee on 12th October 2020.
3. The LGSCO provides a free, independent and impartial service to members of the public. It looks at complaints about Councils and other organisations. It only looks at complaints when they have first been considered by the Council and the complainant remains dissatisfied. The LGSCO cannot question a Council's decision or action solely on the basis that someone does not agree with it. However, if the Ombudsman finds that something has gone wrong, such as poor service, a service failure, delay or bad advice and that a person has suffered as a result, the LGSCO aims to get the Council to put it right by recommending a suitable remedy.
4. The LGSCO publishes its decisions on its website (www.lgo.org.uk/). The decisions are anonymous, but the website can be searched by Council name or subject area.
5. A total of seven decisions relating to the actions of this Council have been made by the Ombudsman in this period. Appendix A to this report summarises the decisions made in each case for ease of reference and Appendix B provides the full details of each decision. No fault has been found in any of these decisions.
6. Following initial enquires into six complaints the LGSCO decided not to continue with any further investigation for the reasons given in Appendix A.

7. A full investigation was undertaken of one complaint which related to a complex Adult Social Care case. The complaint centred around the issue of charging for respite care breaks. The complaint was not upheld.

Statutory and Policy Implications

8. This report has been compiled after consideration of implications in respect of crime and disorder, data protection and information governance finance, human resources, human rights, the NHS Constitution (public health services), the public sector equality duty, safeguarding of children and adults at risk, service users, smarter working, sustainability and the environment and where such implications are material they are described below. Appropriate consultation has been undertaken and advice sought on these issues as required.

Data Protection and Information Governance

9. The decisions attached are anonymised and will be publicly available on the Ombudsman's website.

Financial Implications

10. There were no financial remedies required.

Implications for Service Users

11. All the complaints were made to the Ombudsman by service users, who have the right to approach the LGSCO once they have been through the Council's own complaint process.

RECOMMENDATION/S

That members consider whether there are any actions they require in relation to the issues contained within the report.
