Agenda Item: 12

REPORT OF CORPORATE DIRECTOR, RESOURCES

WORK PROGRAMME

Purpose of the Report

1. To consider the Committee's work programme for 2015.

Information and Advice

2. The County Council requires each committee to maintain a work programme. The work programme will assist the management of the committee's agenda, the scheduling of the committee's business and forward planning. The work programme will be updated and reviewed at each pre-agenda meeting and committee meeting. Any member of the committee is able to suggest items for possible inclusion.
3. The attached work programme has been drafted in consultation with the Chairman and Vice-Chairman, and includes items which can be anticipated at the present time. Other items will be added to the programme as they are identified.
4. As part of the transparency introduced by the new committee arrangements, committees are expected to review day to day operational decisions made by officers using their delegated powers. It is anticipated that the committee will wish to commission periodic reports on such decisions. The committee is therefore requested to identify activities on which it would like to receive reports for inclusion in the work programme. It may be that the presentations about activities in the committee's remit will help to inform this.
5. The work programme already includes a number of reports on items suggested by the committee.
6. The following changes have been made since the work programme was published in the agenda for the last meeting:
 - a) 2 new items have been scheduled for the meetings of the Committee November:
 - i) 20mph Limit TRO – Radcliffe Rd/Davies Rd, W. Bridgford
 - ii) Rail Update
 - b) Flood Risk Management (FRM) – Section 19 Reports – deferred from October to January to allow reports on all affected areas to be completed.
