REPORT OF THE CHAIRMAN OF HEALTH SCRUTINY COMMITTEE

WORK PROGRAMME

Purpose of the Report

1. To consider the Health Scrutiny Committee's work programme.

Information

2. The Health Scrutiny Committee is responsible for scrutinising substantial variations and developments of service made by NHS organisations, and reviewing other issues impacting on services provided by trusts which are accessed by County residents.
3. The current work programme is attached at Appendix 1 for the Committee to consider, amend if necessary, and agree.
4. The Committee work programme continues to be developed. Emerging health service changes (such as substantial variations and developments of service) will be included as they arise.
5. At the time of agenda publication, the schedule of Health Scrutiny committee meetings for 2022-2023 has not been finalised. The current version of the work programme is therefore a 'holding position' pending both confirmation of dates and an appraisal of current outstanding actions and updates. A substantive work programme document will be available for consideration at the Committee's July 2022 meeting.

RECOMMENDATION

That the Health Scrutiny Committee:

- 1) Considers and agrees the content of the draft work programme.
- 2) Notes that a substantive work programme for 2022-2023 will be available for consideration at the Committee's July 2022 meeting.
