# NOTTINGHAMSHIRE POLICE AND CRIME PANEL 16 SEPTEMBER 2013

7

## **WORK PROGRAMME**

#### **Purpose of the Report**

1. To give Members an opportunity to consider the work programme for the Panel and to suggest further topics for inclusion (see appendix).

#### Information and Advice

- 2. The work programme is intended to assist with the Panel's agenda management and forward planning. The draft programme will be updated and reviewed regularly in conjunction with the Chairman and Vice-Chairman of the Panel.
- 3. At the informal meeting of the Panel held on 7 June 2013, Members agreed that a development session should be arranged to assist new Members in understanding the roles and responsibilities of the Panel and to enable all Members to reflect further on the strategic direction and focus of the Panel. At the meeting on 24 June 2013, the Panel agreed that this session should take place on the morning of 16 September 2013, ahead of the Panel meeting scheduled for that afternoon.
- 4. However, in light of the subsequent delay in getting Secretary of State approval to appoint two further Independent members and the fact that some Members were unable to attend on 16 September, the Chairman and Vice-Chairman subsequently agreed that the development session should be postponed until the afternoon of the Panel meeting on 30 October 2013, in order to maximise attendance and to involve all new Members.
- 5. Further to Members' requests at the Panel meeting of 24 June 2013, regular updates on the issue of Domestic Violence have been added to the work programme and review of the costs of the Commissioner's Office has been added to the work programme for April 2014.

#### **Other Options Considered**

- 6. All Members of the Panel are able to suggest items for possible inclusion in the work programme.
- 7. The Work Programme has been updated following discussions around the Commissioner's update report at the last meeting. The regular standing items and statutory requirements have also been scheduled into the proposed meeting timetable.

#### **Reasons for Recommendation/s**

8. To enable the work programme and the schedule of Panel meetings to be developed further.

#### **RECOMMENDATION/S**

- 1) That the work programme be noted.
- 2) That Members suggest any further topics for possible inclusion in the work programme.

## **Background Papers and Published Documents**

1) Minutes of the previous meeting of the Panel (published).
